Brainstorming Session

- Select person with nice handwriting to write.
- Use white poster paper to be displayed.
- Write down anything and everything!
- Separate ideas that are low cost/low time from those that would have a cost associated.
- Once posted, use your sticker dots to vote for your favorites.

PASSIVE PROGRAMMING

Low risk engagement for customers.

-

Activity: Fairytale Add Ons.

Could be in person or online.

Provide prompts and let people add on to each other's stories.

YOU CAN NOT ESCAPE HOW FUN HISTORY & GENEALOGY IS

NUTS & BOLTS

- Children who observe adults reading are more likely to become avid readers themselves.
- Adults participating in a summer program are more likely to use library services and resources year-round.
- Adults experiencing first-hand the value of the library are more likely to vote for more funding for the library and its programs.

Marketing ideas

- Healthy dose of competition?
- Partner to Promote

Prizes

- Making it valuable & easy
